## AFFORDABLE HOUSING POLICY – EVOLVE OWNED PROPERTIES

### SCOPE

This policy applies only to affordable housing properties managed by EchoRealty which are owned by Evolve Housing Limited.

This policy uses the NSW Affordable Housing Ministerial Guidelines (the Guidelines) to inform the management of affordable housing.

### POLICY STATEMENT

It is the policy of Evolve Housing to ensure affordable housing, owned by it, is delivered:

- to households in housing stress whose housing need cannot be met in the short to medium term in the private rental market;
- to social housing applicants, and existing social housing tenants who are eligible for Affordable Housing;
- to households with the potential to transition into home ownership in the medium term; and
- in a manner that generates sufficient income to meet associated finance and other operating costs in order that retained earnings and assets can be used by Evolve Housing to grow more affordable housing supply wherever possible.

The policy addresses the day-to-day management of:

- setting rent and rent reviews
- advertising vacant properties
- how to apply
- assessment of applications
- determining eligibility – initial and ongoing
- allocation of properties
- lease agreements
- bonds
- rent
- any right of appeal
- succession of tenancy

## **NATIONAL RENTAL AFFORDABILITY SCHEME (NRAS)**

In relation to NRAS properties, Australian Government requirements for NRAS properties apply for the duration of the NRAS incentive period, regardless of whether they are more or less stringent than the Guidelines. Where Australian Government NRAS requirements are silent, the Guidelines prevail.

## **SETTING RENT**

The rent for affordable housing is to be set according to the following principles:

- the ability of households on very low and low incomes to pay no more than 25-30% of their gross income in rent. Greater flexibility in pricing may be applied to moderate income households but, in all cases, the relevant circumstances of the applicant household and their capacity to pay will be guiding principles;
- the capacity of Evolve Housing to maximise CRA;
- the extent to which Evolve Housing can take advantage of the Australian Taxation Office (ATO) rulings on GST tax free status; and
- that rent revenue is sufficient to cover the costs of the affordable housing portfolio, inclusive of debt repayments.

Rent will be charged at no more than 74.9% of the market rent, the properties will be marketed towards households with suitable affordability.

### **Determining market rent**

EchoRealty will use the following methods to determine market rent:

- As reported in the NSW Government rent report
- By engaging a registered valuer to determine the market rent
- By determining rent levels in the local market

EchoRealty reserves the right to determine which approach will be applied. Regardless of the methodology, the intent is to ensure that the true market rent is established.

### **Rent review**

Rents for each property will be reviewed annually and adjusted to 74.9% of market rents. The application of a rent increase is to comply with the *Residential Tenancies Act 2010*.

## **ADVERTISING VACANT PROPERTIES**

If EchoRealty has determined that the vacant property is best suited to a moderate income household, the vacant property will be advertised on the open market through key real estate outlets/websites detailing:

- that it is an affordable housing property;
- the property type; and
- the household eligibility criteria for the property.

The property will continue to be advertised until such time as an eligible tenant who meets the allocation criteria has been found.

## **HOW TO APPLY**

Applications for affordable housing properties owned by Evolve Housing are made direct to EchoRealty.

Applicants cannot apply through the NSW Housing Register (Housing Pathways) for affordable housing. That is, an application through Housing Pathways is not an application for affordable housing.

However, applications for affordable housing can be accepted from people who are listed on the NSW Housing Register. An applicant who is listed on the NSW Housing Register, who applies for affordable housing and is successful in their application for affordable housing, will be removed from the NSW Housing Register.

The property manager is to ensure that an applicant who falls into the above category is advised that if they accept an affordable housing tenancy, they lose their right to be on the NSW Housing Register for social housing.

## **ASSESSMENT OF APPLICATIONS**

All applications will be assessed against the eligibility criteria based upon the evidence provided by the applicant. An applicant who fails to provide all the required information within the timeframe requested is not able to be assessed for that specific property.

## **ELIGIBILITY**

To be assessed for affordable housing, applicants must meet the following criteria.

### **General**

Affordable housing applicants must:

- be a citizen or have permanent residency in Australia
- be a resident in NSW
- provide evidence to establish their identity
- be able to sustain a successful tenancy, with or without support
- be employed
- if applicable, make repayments of any former debts to Housing NSW, Evolve Housing or EchoRealty
- in general, be over 18 years of age

### **Income**

Income eligibility of individuals and households is determined by the Guidelines.

The Guidelines have set household income limits by income bands at very low, low and moderate. These limits are reviewed annually and published by the NSW Government.

For NRAS properties, the NRAS income limits apply.

### **Assets**

An applicant or resident who will live in the household should not have assets, savings or property (including land) that could reasonably be expected to solve their housing situation.

The property ownership rule may be waived under certain circumstances. The Guidelines refer to the *Eligibility for Social Housing Policy* for guidance on waiving the property ownership rule.

### **Other – connection to the local area**

Where an applicant has met all the above eligibility criteria, Evolve Housing will give priority to applicants who have a connection to the local area for which they have applied. For example through:

- employment;
- education;
- family; or
- currently living in the area.

The more criteria that are met through connection to the area applied for by the applicant, the stronger the case for allocation.

### **Ongoing eligibility**

A review of household eligibility for each tenancy will be conducted annually but is not to be carried out earlier than six months before the end of the fixed term.

Tenants must continue to meet the eligibility criteria to remain in affordable housing.

### **Where review finds a tenant no longer eligible**

Where a review finds a tenant is no longer eligible for affordable housing, the tenancy will be terminated in accordance with the NSW *Residential Tenancies Act 2010*.

A tenant will be given a reasonable period to move to alternative accommodation, depending on their circumstances, and provided with assistance to assess alternative housing options.

## **ALLOCATION OF A PROPERTY**

EchoRealty will allocate a property based on the following:

- a. the applicant has met all the eligibility criteria
- b. priority will be given to an applicant who also meets the 'connection to the local area' criteria
- c. any target group as may be determined from time to time such as an official NSW Government policy to target eg housing development for aged households
- d. where there is more than one eligible household, EchoRealty may make an offer of housing at its discretion

## **LEASE AGREEMENT**

Evolve Housing will offer affordable housing on a fixed term lease agreement. Lease agreements are to comply with the requirements of the NSW Residential Tenancies Act 2010. A lease for affordable housing may be renewed for a further term as long as the tenant remains eligible.

## **BOND**

Tenants are required to pay four weeks rent as bond at the commencement of the tenancy.

## **RENT**

Tenants are to pay two weeks rent in advance at the commencement of the tenancy, and remain two weeks

in advance throughout the tenancy.

## **GENERAL INFORMATION**

Tenants are not permitted to transfer to other affordable housing properties.

Tenants are not permitted to mutually exchange affordable housing properties.

Succession of tenancy is not permitted.

Pets must be approved by the property manager.

Property modifications must be approved by property manager.

## **RIGHT OF APPEAL**

A right of appeal for affordable housing under this policy is limited.

If an applicant believes EchoRealty has made a wrong decision regarding their eligibility, or an existing tenant believes EchoRealty has made a wrong decision regarding their ongoing eligibility, they should ask for a formal review of the decision. EchoRealty can also confirm any rights of appeal following a formal review.

## **SUCCESSION OF TENANCY**

Succession of tenancy is not permitted. If a household member wishes to take over a tenancy or become the named / head tenant they will need to lodge a new application which will be subject to the eligibility criteria of a new tenancy.

## **GLOSSARY**

<b>Affordable housing</b>	is housing that is appropriate for the needs of a range of very low to moderate income households and priced so that these households are also able to meet other basic living costs such as: food, clothing, transport, medical care and education.
